FOR TODAY'S MEETING Rev. Coombs : Has Well Advertised

the Men's Meeting. Last night the queries propounded to Rev. Coembs at the Central Christian church were all upon Christian science. In answer to them the speaker stated that Mrs. Eddy had never given to the world anything; all that she has taught that is worth anything is nineteen hundred years old. She has taught that there is no such thing as forgiveness of sin and the Bible says there is, which will be believed. One query referred to a number of references and th speaker was usked to harmonize them. This on acusked to harmonize them. This on account or time was laid aside, but during a song the minister had an opportunity to look up the references and answered them immediately after.

Weak and unhealthy kidneys are responsible for more sickness and suffering than any other disease, therefore, when through neglect or other causes, kidney trouble is permitted to continue, fatal results are sure to follow.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

Your other organs may need attention-but your kidneys most, because they do most and need attention first.

If you are sick or "feel badly," begin taking Dr. Kilmer's Swamp - Root, the great kidney, liver and bladder remedy, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.
